4. The following **Planning Application** was considered:  
**11/001284/FUL** Stopping up of existing access and creation of a new access  
*Land adjoining 94 Brook Street*  
The committee felt that not enough information had been provided regarding type of access proposed, however acting on the information given, the committee had no objection in principle to the existing access being replaced by a similar access as proposed, but assumes that as there is no mention to the contrary, this is intended for pedestrian use only, however there was some concern that a parking space for no.94 Brook Street would be lost.
5. The following **Planning Approvals** were noted:  
**11/00251/FUL** The replacement of existing flat roof with a pitched roof on front elevation  
*Nelmes, London Road*
6. The date of the next Planning Committee Meeting was confirmed as Tuesday 7<sup>th</sup> June 2011
